

MLA Generic Social Outcomes

Group discussion: Teenage Book Group

Key points

Aims to measure:

Stronger and safer communities:

- 1 Improving group and inter-group dialogue and understanding

Health and well being

- 1 Helping children and young people to enjoy life and make a positive contribution

Strengthening public life

- 1 Providing safe, inclusive and trusted public spaces and services
- 2 Improving the responsiveness of services to the needs of the local community, including other stakeholders

DISCUSSION POINTS for Group

- What have I got from this group?
- What do I know now that I didn't know before?
- Has it changed anything?
- Has it changed my understanding of others?
- How has the library benefited from my involvement?
- Has my perception of the library changed?
- Observations
